Society for Creative Anachronism

Winter Edition – March 19, 2016 – Chronicler Rayne Evynwod

Notes From the Last Meeting

The last Shire business meeting was on February 15th.

Anyone who wishes to teach/host a class should contact Lady Aminah at aminahofellora@yahoo.com. The next several A&S nights will be jointed with the socials and will involve making tokens and prepping for Fools' War

Social

The last social was held on February 23rd. It was a lovely evening of good food, great people, and working on projects and tokens for Fools' War. The next social will be March 24th at 6pm hosted once more by Sir Timothy and Lady Ysmay.

Meeting Notes Cont.

Reeve Eisa reports that we have money. Signature change process is moving along and will hopefully be taken care of before Fools' War.

Rayne is creating a Roll of Arms for the Shire on the website. If you have a registered or submitted name, device, or badge, and would like it shown on the website, please email her with at least the registered name at kyahcooley@gmail.com or post on the thread on the Facebook page. The hope is that a Roll of Arms will make a convenient resource for those wishing to find a full SCA name, device, or badge of someone in the Shire for the purpose of award recommendations, scrolls, or gifts as well as inspire others to register their heraldry.

In further effort to encourage those who may be interested in being involved with the shire, Rayne would like ideas and/or submissions for the web page. Photos, art, stories, articles, and other creative works require a signed form to post which can be found [here](#).

If you have stories, works, articles, or anything else you'd like to share with the Shire via the newsletter, Rayne can be contacted at KyahCooley@gmail.com. Print copies of the newsletter are also available on a free subscription basis when provided with a name and address to mail to.

Fool's War

The troll schedule is available on the Facebook planning group. Please give it a look and sign up for a shift.

Rayne requests volunteers to help with setting up the stakes, ropes, and signs and spreading ant killer for the event. Four or five people would be great, but the more the merrier and the faster setup will go. Site setup will begin in the morning of Thursday April 10th. Water, sunscreen, and lunch will be provided.

The Tir Briste Newsletter is available from the Shire of Tir Briste website (www.tirbriste.org) or from Kyah Cooley (KyahCooley@gmail.com). It is not a corporate publication of SCA, Inc., and does not delineate SCA, Inc. policies.
